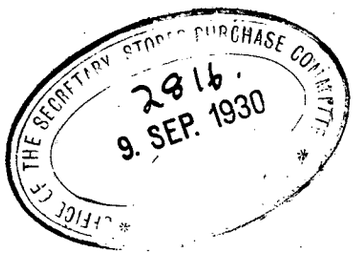
Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]



I submit herewith a statement showing customs duties paid by the Mysore Government on stores imported from overseas during the years 1926-27, 1927-28, 1928-29 and 1929-30. The Residency communication calls for figures only for the triennum ending 1928-29. As details of amounts paid actually are not available for the year 1926-27, the figures furnished for this year represent only the -- approximate amounts payable calculated at 15 per cent on the total value of purchases made on behalf of the -- Departments. The statement attached hereto contains, therefore, figures for 1929-30 also.

For the 1st half year of 1927-28 also, particulars of actual amounts paid on behalf of the Railway Department are not available and for this period the figure adopted is the average for the succeeding 5 half years for which information is available. Particulars have been called for from the Auditor, Mysore Railways and if his reply is received in the course of a day or two another final statement will be furnished

The figures include customs duties paid by the Mysore Iron Works.

Indian Round Table Conference.

Sir,

2/9/30

I am directed to request that you will be so good as to furnish, for the use of the Special Committee appointed under the administrative control of the Foreign and Political Department, information regarding the amount of customs duty paid by the Government of Mysore on Government stores imported by them direct from overseas during the years 1926-27, 1927-28 and 1928-29. It would be convenient if the duty paid could be classified under

(1) factory and industrial requirements,

(2) railway materials,

(3) articles of general use.

The Committee ask that this enquiry may kindly be treated as very urgent, as the information is required in connection with their work, which should be completed before the end of September.

I have the honour to be,
Sir,
Your most obedient servant,

G. Loch
Major,
SECRETARY TO THE RESIDENT.
